## BACHELOR OF SCIENCE IN **PHARMACY FOUNDATIONS**

### IT'S TIME FOR BIGGER GOALS IN PHARMACY

The Bachelor of Science in Pharmacy Foundations Degree gives students a strong foundation in pharmacy and the pharmaceutical sciences and allows for easy transfer into the Doctor of Pharmacy (Pharm.D.) program or the Bachelor of Science in Pharmaceutical Sciences program or prepares students for further education in medicine, dentistry, law and more.

#### **GET YOUR START IN PHARMACY**

The Duquesne University School of Pharmacy's Bachelor of Science in Pharmacy Foundations offers a multidisciplinary curriculum that combines core courses in biological sciences, chemistry, pharmaceutical sciences, and healthcare ethics and provides students with a solid understanding of foundational concepts in pharmacology, drug action, dosage forms, and healthcare delivery systems. Additionally, the pharmacy foundations program includes interactive laboratory experiences, preparing students for a variety of roles in the pharmaceutical industry, a seamless transition into the Doctor of Pharmacy (Pharm.D.) program or as stepping stone to advanced degrees in medicine, dentistry, law or more.

#### **EASILY TRANSFER TO MULTIPLE PROGRAMS**

The Bachelor of Science in Pharmacy Foundations program lays a robust groundwork in foundational sciences and pharmaceutical principles, providing a strong academic base for students aspiring to transition into a Doctor of Pharmacy (Pharm.D.) program or another healthcare field. Emphasizing key subjects such as biology, chemistry, pharmacology, and healthcare ethics, this undergraduate degree equips students with fundamental knowledge crucial for success for advanced training in medicine, dentistry, law and more. The comprehensive understanding gained through this foundational program serves as an advantageous stepping stone, facilitating a smooth transition and preparation for the advanced coursework and clinical training offered in Doctor of Pharmacy programs.

#### **GAIN A POWERFUL NETWORK**

Enjoy access to the powerful School of Pharmacy alumni network with 7,400+ living alumni throughout the country and across the globe specializing in every pharmacy career pathway imaginable.

"The Bachelor of Science in Pharmacy Foundations program allowed me to explore options in pharmacy and the pharmaceutical sciences and helped me eventually realize pursuing a Doctor of Pharmacy degree was the right choice for me. The transfer process was easy. I never missed a beat!"
